

Trinity's Listening Group Conclusions for Phase 2 (June 7- 28) : Move with Caution and Creativity.

1. Continue to listen to God and listen to one another. Continue forward with the two C's as our focus: "To be Cautious & Creative" in how we worship and try new ministries together.
2. Follow CDC guidance and state guidance:
 - A. Social distancing 6 ft. apart. Because space will be limited (30 people) due to social distancing, we encourage those who are able to worship online to continue to do so to allow those who don't have the ability to worship on Facebook first priority.
 - B. Wearing a mask is recommended but not mandatory.
 - C. Handwashing and sanitation practice of doors, the bathroom and railings.
 - D. Vulnerable adults and those with compromised health conditions are encouraged to continue to worship at home through phase 2.
 - E. Also, those who don't feel comfortable worshipping in person yet are encouraged to continue to worship at home through phase 2.
 - F. Staff members and leaders are encouraged to take temperatures before they arrive.
 - G. If a person attends worship and then later has Covid-19 symptoms, they are encouraged to contact the Pastor in confidence so others in attendance could be notified and church activities can be modified or suspended.

Other Practical guidelines for indoor worship: (Recommend two weeks between indoor worship option to see if any cases come to our attention.)

*Encourage everyone to come through the main south doors which will be propped open. (Place signs on the other doors encouraging people to enter main south entrance)

Ushers duties: Required to wear a mask during entrance and exit of people. If they are sick or don't feel comfortable coming, we will find someone else to usher for them during phase 2. (Jerry will do training and be present to help the ushers.)

- Write down names of people in attendance. (Take a picture of audience for record too.)

- People will pick up their bulletin in the pew where it's ok for them to sit. Have offering plate at the back of the church for people to place their envelope in.

- Sign for every other Pew: "You are Welcome to sit here. Please leave a 6' gap between families. Thank you!"

- The balcony will not be open for seating during phase 2 because everyone will be touching the hand rail and will come in close contact to the sound workers.

- Hymnals removed.

- Hand sanitizer and masks will be available for people if they so choose, but we encourage people to bring their own supplies with them.

- After people use elevator, hand railing, bathroom use upstairs only, spray down door handles, railings, and sink should be cleaned by a professional who has been trained with Covid-19 procedures. (*Signs placed on drinking fountains and bathrooms "out of order". Please use the upstairs bathroom only.)

- At the end of worship, Ushers release those in attendance to make sure people are allowing spacing.

- Communion: Until we are able to receive "prepackaged communion cups" we will not have communion in phase 2.

Other Practical guidelines for outdoor worship:

(Recommended every week before indoor recording at 9am. After we are able to get the sound system supplies? Hopefully by June 14th? If it's raining, we recommend moving it to another time like 5pm or another day of the week depending on what the music team recommends? We would text and call people to inform them of the changes Sunday morning.)

-People are encouraged to bring their own chairs or stay in their own vehicles still 6 ft. apart.

-We will try to have a small tent for equipment and key board.

-We will try to find a location that has shade for people. (We will first try the West parking lot because it has shade and electric.)

Recommendations to shorten the service to 30 mins. :

-Only spoken liturgy. Singing is not encouraged in phase 2 for those in attendance, just the music team only and those worshipping at home.

-Only two hymns with 2 verses only.

-No children's message.

-Music team will continue to share a special song or different congregation members are invited to share a special song.
